BUYING GUIDE

- 93** **Corley 2009 Reserve Cabernet Sauvignon (Napa Valley).** This 100% Cabernet Sauvignon has rich, flashy flavors of spice and crème de cassis, and it will reward some time in the cellar. The tannins are strong, but the wine is drinkable now after decanting and especially when paired with steak. It will soften and mellow in 7–8 years, and it should last at least 15 years while gradually losing fruit. *Cellar Selection.* —S.H.
