*Our Vintage 2004 MONTICELLO VINEYARDS Estate Grown Syrah offers aromatics that burst from the glass - eucalyptus, pepper and spice, gamy meat, leather. The wine has a round, lush attack which carries through on the palate. The tannins are soft and juicy, yet present. The finish is full and lingering with just the right amount of tannin to let you know that it's not fooling around with this 100% Syrah. - Chris Corley, Winemaker*
