

MONTICELLO VINEYARDS  
CORLEY FAMILY NAPA VALLEY

## *Our Varietals*

---

### *Cabernet Sauvignon*

Our Jefferson Cuvee and Corley Reserve Cabernet Sauvignons highlight our ability to combine vineyard lots from the finest regions within Napa Valley to produce full, rich and complex Cabernet Sauvignon wine. Our Cabernet Sauvignon vineyards in Rutherford, Yountville and St Helena give us the luxury of three of Napa Valley's premier Cabernet Sauvignon growing areas. Typically luscious, richly textured and elegant our Cabernet Sauvignons are full-bodied ready to drink wines that have great aging potential. Aromatics of berry, plum and cassis lead into wine that is packed with black fruit, cedar, spice and cocoa and with firm tannins in a long, supple finish. Our Cabernet Vineyards are planted to Clones #7, #8, #337 in Rutherford, Yountville and St Helena.

---

### *Estate Grown Chardonnay*

Our Estate Grown Chardonnays offer bright full intensity aromatics featuring lemon, citrus, and tropical notes, along with the influence of toasty, spicy new French oak. The flavors follow similarly and lead you to think of lemon cream, or lemon meringue pie, because of the richness in the wine. The wine is medium-full bodied, and beautifully textured with the perfect level of acidity to maintain liveliness and vibrancy and the variety of clones that we grow gives the wine layers of complexity and a compelling nature. Our Chardonnay vineyards in the Oak Knoll district of Napa Valley are planted with four different clones of Chardonnay (Heirloom and Dijon Clones #76, #95, #96) from which we produce chardonnay grapes that are lush with rich flavors, bright fruit a vibrant acidity.

---

### *Estate Grown Pinot Noir*

Our Estate Grown Pinot Noirs' aromatics and taste are dominated by ripe berry and black cherries. The flavors follow with raspberry and hints of strawberry. The texture is rich and elegant finishing long on the palate. The bright fruit and toasty sweet oak are balanced by soft tannins. Our Pinot Noir vineyards in the Oak Knoll district of Napa Valley are planted with five different clones of Pinot Noir (Heirloom and Dijon Clones #667, #777, #113, #115) from which we produce pinot noir grapes with lush berry flavors and rich bright fruit.

---

### *Estate Grown Merlot*

Our Estate Grown Merlots display intense aromatics of blueberries, red berries, and black fruits, and roasted nuts along with toasted oak. Medium to full-bodied, it shows a luxurious richness of sweet fruit flavors with moderate tannin levels. The bright fruit is accompanied by a suppleness that shows in the mouth-feel of the final wine. Our Merlot vineyards are located in the Oak Knoll District of Napa Valley and are planted to two clones of Merlot #181 and #6.

---

### *Estate Grown Cabernet Franc*

Our Cabernet Franc offers aromatics of spice, cloves and anise. The flavors follow berry, currant and little jam. The wine typically has a weighty attack and is medium to full body. The tannins are well integrated and well balanced into the fruit and weight of the wine. Our Cabernet Franc is also planted on both our Oak Knoll District vineyards, each vineyard is planted to clones #312 and #332. Our Home Ranch Vineyard is also planted to 'Clone X' and #327.

---

### *Estate Grown Syrah*

Our Syrah offers aromatics that burst from the glass - eucalyptus, pepper and spice with a lush very berry attack which carries through on the palate. The tannins are typically soft and juicy, yet present. The finish is full and lingering with just the right amount of tannin to let you know that it's not fooling around. Our Syrah is planted on our Knollwood Vineyard to two ENTAV Clones, #470 and #174.
