

MONTICELLO VINEYARDS

CORLEY

Tietjen Vineyard Cabernet Sauvignon

ESTATE GROWN IN THE NAPA VALLEY

VINTAGE 2008

TASTING NOTES

The 2008 Monticello Tietjen Vineyard Cabernet Sauvignon is showing great aroma. Dark fruit, loads of sweet vanilla and mocha oak. The texture is very rich. The mid-palate is big and full and the tannins frame the wine wonderfully. The finish is long and the tannins are smooth. The wine has nice fine-grained tannins that we have found consistently in this wine over the years.

VINEYARDS, VINTAGE AND VINIFICATION

Tietjen Vineyard *Rutherford, Napa Valley*

In the 1980s our good friend and partner, Hugh Tietjen, acquired a small parcel in the Rutherford area of Napa Valley. This location was selected as an ideal site to grow Cabernet Sauvignon for Monticello Vineyards. Located not far from the base of the Mayacamas Mountains on the western side of Napa Valley, this 7-acre property was planted in the 1980s entirely to Cabernet Sauvignon. Two clones were selected, including the much-respected Clone #8 and a special selection of bud wood we refer to as the 'Cope' Clones. The majority of the wine from the Tietjen Vineyard is blended with wines from our other vineyards to create our CORLEY RESERVE Cabernet Sauvignon, the Monticello Vineyards Jefferson Cuvee Cabernet Sauvignon, and the CORLEY Proprietary Red Wine.
