Production is Extremely Limited

Due to a cool growing season, we did not begin harvest until October 8, 1991. However, this extra time on the vines developed grapes of excellent maturity and flavors.

This vintage of Corley Reserve Cabernet Sauvignon combined grapes from select Napa Valley vineyards. The wine was barrel aged for 24 months in Nevers barrels, 25% new and 75% 2-3 years old.

Our 1991 Corley Reserve Cabernet Sauvignon is a dark ruby color with a richly perfumed nose of black cherries, spice and vanilla. Rich flavors of currants and blackberries are highlighted by a soft, lingering finish.
