

CORLEY

State Lane Vineyard Cabernet Sauvignon

VINTAGE 2010

TASTING NOTES

The 2010 State Lane Cabernet Sauvignon is a very big wine. We have come to love the bold expression of tannin and fruit that this vineyard provides. Underneath the dark red and black berry aromas, I find a light streak of eucalyptus on the nose, which pleasantly adds a contrasting balance to the wine. On the palate, this wine is dark with a solid grip of tannin on the palate. Swirling on the midpalate is a lush core of dark black fruit that extends into the long finish.

Drink now through 2026. Estimated Peak 2014-2020

VINEYARDS, VINTAGE AND VINIFICATION

Cabernet Sauvignon State Lane Vineyard, Clone 337
Yountville, Napa Valley (100%)

A great satisfaction in producing our Vineyard Designate series of Cabernet Sauvignon is the selection of the wine to be used. Since 1982, we have farmed Cabernet Sauvignon from our State Lane Vineyard. We produced only 8 barrels from the 2010 Vintage.

*Oak - 28 Months in 100% New French Oak, Medium Plus Toast, Tight Grained
Alcohol - 14.1%*

Yountville Sub-Appellation

Climate: Moderate, with definite cool marine influence and fog contributing to cool summer mornings and the marine breeze keeping afternoons more comfortable than further up-valley. Mid-summer peak temperatures may reach 90°F (31°C), with noticeable diurnal fluctuation to the mid-50°F range (13°C).

Soils: South and west borders are more sedimentary, gravel-clay soils, with lower fertility and moderate water retention. Further north and to the east soils are prevalently volcanic in origin and are deeper and more fertile.

Principal Characteristics: depth, intensity, deep black-fruit character and rich texture.
